# yello How to Buy Yello: Direct Purchase or Sole Source

## Direct Purchase or Sole Source:

Federal Agencies are contracting directly with Yello to take advantage of its unique services and capabilities. Market research assistance along with pricing catalog is available here. (Link to Yello Capabilities Statement)

FAR 6.032-1(a)(2) is the most common rationale for sole-source procurements. It states:

*"WHEN THE SUPPLIES OR SERVICES REQUIRED BY THE AGENCY ARE AVAILABLE FROM ONLY ONE RESPONSIBLE SOURCE...AND NO OTHER TYPE OF SUPPLIES OR SERVICES WILL SATISFY AGENCY REQUIREMENTS, FULL AND OPEN COMPETITION NEED NOT BE PROVIDED FOR."*

Purchasing Yello services on a sole source basis provides additional flexibility to customize Yello's service offering and solutions.
